

Prateek Aggarwal | Programme Lead | Power Markets

Prateek Aggarwal is a Programme Lead at the Council on Energy, Environment and Water (CEEW), with over a decade of experience in the power sector. His expertise is in generating evidence and implementing strategies for distribution utility reforms, regulatory governance, and deepening power markets. At CEEW, he leads efforts to accelerate clean energy procurement for commercial and industrial consumers, assesses the impact of decentralized rooftop solar on distribution utilities, and tracks energy sector subsidies.

One of his key strengths is efficient stakeholder engagement. He actively collaborates with central agencies such as the CERC, CEA, Ministries - MoP and MNRE. At the state level, he works closely with regulators, distribution utilities, CSOs, RE developers, power traders, OTC platforms and industry associations across Rajasthan, Uttar Pradesh, Uttarakhand, and Tamil Nadu.

Before joining CEEW, Prateek was a Senior Consultant at the Uttar Pradesh Electricity Regulatory Commission, contributing to critical power sector reforms and regulatory processes.

He holds a B.Tech in Power System Engineering and an MBA in Power Management from the University of Petroleum and Energy Studies. Outside of work, he spends time with FnF, reading, and embracing solitude for self-awareness.
