#### COUNCIL OF ENERGY, ENVIRONMENT AND WATER (CEEW)

#### SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

#### I. BACKGROUND

The Council on Energy, Environment and Water ("CEEW" or "the trust") is an independent, not-for profit policy research institution. CEEW addresses pressing global challenges through an integrated and internationally focused approach. It does so through high-quality research, partnerships with public and private institutions, and engagement with and outreach to the wider public. It was set up on January 19, 2011 and registered u/s 12A & 80G (5)(vi) of the Income Tax Act, 1961 ("the IT Act"). The trust also got registration under Foreign Contribution (Regulation) Act, 2010 on May, 31, 2016.

#### II. SIGNIFICANT ACCOUNTING POLICIES

### 1. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention.

#### 2. Use of Estimates

The presentation of the financial statements is in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### 3. Income Recognition

Grants / Donations received with specific direction that they shall form part of the corpus are recognised as corpus and shown in the Statement of Affairs.

Voluntary donations are recognised as income as and when received.

Income in relation to projects grants, which are ongoing and tied to conditions and specifications, are recognised to the extent of amount spent.

In respect to projects grants, which are completed during the year and tied to conditions and specifications, income is recognised to the extent of grant not recognised as income in earlier years.

Interest income is recognised using the time proportion method as per the applicable rate of interest.

Chr.

#### 4. Fixed Assets

Fixed assets are capitalised at the cost of acquisition (excluding refundable taxes) along with expenses directly attributable to bring the asset to the location and condition for its intended use. Fixed Assets are stated at cost less accumulated depreciation, accumulated impairment, if any.

#### 5. Depreciation

Depreciation on fixed assets has been calculated on the written down value of the assets at the rates prescribed under Income Tax Act, 1961.

#### 6. Employee Benefits

All employee benefits payable wholly within twelve months of rendering service are classified as short-term employee benefits. Benefits such as salaries, allowances, short-term compensated absences and the expected cost of other benefits is recognised in the period in which the employee renders the related service.

The Organisation's employee provident fund scheme is a defined contribution plan. A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions and will have no obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the Statement of Income and Expenditure in the year when the employee renders the related service. The Company deposits its employees' provident fund contributions with the Regional Provident Fund Commissioner.

The Organisation's gratuity scheme is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried at the year end using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The projected accrued benefit is based on the scheme accrual formula using member's final compensation projected to the age at which the employee is assumed to leave active service. The scheme liability is the actuarial present value of the projected accrued benefits and it is not funded and being paid by the organisation as and when required.

The Organisation's leave encashment scheme is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried at the year end using the Projected Unit Credit Method. The projected accrued benefit is based on the scheme accrual formula using member's final compensation projected to the age at which the employee is assumed to leave active service. The scheme liability is the actuarial present value of the projected accrued benefits and it is not funded and being paid by the organisation as and when required.

## 7. Investments

The Trust makes investments/deposits in the forms and modes as permitted under Section 11(5) of the Income Tax Act, 1961.

#### 8. Foreign Exchange Transactions

Transactions in foreign exchange are recorded at the exchange rates prevailing on the date of the transactions.

#### III. NOTES TO ACCOUNTS

- a) All current assets and current liabilities have been shown at their stated realizable/payable value.
- b) The Trust is registered under section 12A and section 80G(5)(vi) of the IT Act vide letter dated September 13, 2011. The said registrations under section 12A and section 80G(5)(vi) of the IT Act is further renewed on 31st May 2021. No provision for income tax has been made. There is no timing difference between accounting income and taxable income. Accordingly, no deferred tax has been recognised in the books of accounts.
- c) Previous year's figures have been regrouped / rearranged wherever considered necessary to confirm to this year's classification.
